Welcome to NIILM UNIVERSITY

Welcome to NIILM University and explore a whole new world of opportunities. Come and see for yourself the vibrancy and innovation, inherent in our courses and environment.

NIILM University is a Progressive multidisciplinary university located in the Holy city Kaithal of Haryana. The University operates multiple schools and departments in its state-of-the art urban campus and hosts a diverse student body of engineering, online learning, Law, Business, Applied Sciences, Hotel Management, Agriculture, Paramedical Sciences, Pharmacy and many more. NIILM University was established in 2011 and is approved by Govt. of Haryana and recognised by UGC. helping you overcome obstacles and celebrating the moment when you reach at the top. We also believe in making you understand the importance of carrying the torch and lending the helping hand in the same way as it was once extended to you. We prepare you to conquer the challenges of life and to compete successfully in the most adverse of the circumstances and also realize that although survival belongs to the fittest, competition does not imply the success of the only one. Albeit, position at the pinnacle is precarious, it is large enough to accommodate one and all.

It is belief that value based learning has far greater relevance in a dynamic and ever-changing work environment. We ensure that our students share a very special relationship with the institution—easy accessibility to the faculty guidance, firm assurance of staff support and a very caring and nurturing environment, all lead to effective realization of our objectives is one of openness, mutual trust and faith where mission is to demonstrate an unconditional commitment to learning.

Our academic programs are not only benchmarked against international norms and standards but are periodically streamlined according to the requirements of the industry.

We provide individual attention to all our students thus enhancing their ability to acquire and apply knowledge. Vibrant and skilled faculty inducted both from academia and industry possesses, in addition to impressive credentials, a missionary zeal for teaching and shaping careers at NIILM University.

So come and experience the difference and become a part of the ever growing family.

VISION

Striving for excellence in education, driving innovation, & nurturing impactful leadership for a better tomorrow.

MISSION

-  To create state-of-the-art infrastructure specially well-equipped labs to ensure skill oriented learning in a pleasing environment.

DEGREE APPRENTICE PROGRAM (DAP)

- To improve the employability & entrepreneurship of students pursuing general degree Programme.
- To focus on experiential learning based on industry demand.
- To promote industry integrated linkage between the higher education system and Industry.

India is going to have the largest working age population in the world by 2030. To capitalise on India's remarkable demographic dividend, it is essential not only to improve the quality of education but also to make it relevant as per industry need for providing employment opportunities right after completing education, degree apprentice program is fully aligned with UGC guidelines and UNO Sustainable Development Goals (SDG).

Apprenticeship and internship have a huge role to play, apprenticeship is considered as the most efficient and promising structured training for exposure to the real working environment. This has enormous potential to combine work-based learning experiential learning with broader knowledge of related disciplines during UG/OG. Through apprenticeship/ internship, Students may actively engage with the practical side of their learning to make themselves ready for future job needs.

NIILM university has developed the Industry-Integrated framework to engage all students of NIILM University from any discipline to undergo skill-based training program which leads to employability and entrepreneurship.

PROGRAMS OFFERED

SCHOOL OF ENGINEERING & TECHNOLOGY

| Sr. | Course | Specialization | Duration | Eligibility |
|-----|---|---|-----------------|------------------------|
| 1 | B.Tech (Civil, IT, EE, ME, ECE) | | 4 Years (8 Sem) | 12th PCM |
| 2 | B.Tech (Computer Science) | Artificial Intelligence, Machine Learning, Software Engineering, Data Science, Cyber Security, Digital Marketing, Web Development, Game Development | 4 Years (8 Sem) | 12th PCM |
| 3 | B.Tech (LEET) (CSE, Civil, CSE IT, EE, ME, ECE) | | 3 Years (6 Sem) | Diploma in Engineering |
| 4 | M.Tech (Civil, CSE, IT, EE, ME, ECE) | | 2 Years (4 Sem) | B.Tech |

SCHOOL OF COMMERCE & MANAGEMENT

| Sr. | Course | Specialization | Duration | Eligibility |
|-----|------------------------|--|--------------------------|--|
| 1 | BBA | Marketing Finance, Entrepreneurship, Digital Marketing, International Business, Management, Information Technology | 3 Years (6 Semesters) | 12th |
